Product description

#FB-11 is a 50W Bi-color 3000K~5600K LED Light mat with size 330*330mm (1*1ft), high CRI of 98~95 dimming 100%~0%, LCD touch screen control mode.

Say Goodbye to heavy light equipment!

Say Goodbye to complicated outside shooting!

Say Goodbye to old school light effects!

Designed for Photographers, Cinematographers & Filmmakers, Soonwell Flexible LED mats were redesigned with Bi-Color (3000K-5600K), Smart Size, Light Weight, High Lux, High CRI, Touch Screen Control, Turning Knob Control, DMX Control, Remote Control, Logical Design, Safer Protection, Fast Installation, Durable Materials, in mind to offer you powerful, pristine, and flicker-free lighting.

At 1/4" (6mm) thin and weighing less than 1.1lbs (500g), their brilliant pliable surface conceals in tight spaces, mounts virtually anywhere, and offers up to a 360-degree beam angle, that is available for any incredible situation any corner by rolled up in free styles or connected as light wall, especially for travel or storage with revolutionary advantages including rainproof and inflaming retarding.

Control Mode Options: LCD touch screen / Turning knob / DMX / Remote Controller

Charging Support: 15~24VDC or AC Adapter with the integrated V-mount battery plate.

Dimming: 0-100% for precise light output adjustment.
