Model: FB-21

Power Draw: 100W

CRI: Ra95~98

CCT: 3000-5600K

Light Angle: 10° - 360°

Dimming: 0-100%

Dimension: 610*305mm (2*1ft)

Light Weight: 0.5KG / 1.1lbs

Kit Weight: 2.3 KG / 5lbs

LEDs: 504pcs

Lumens: LUX(0.5m): 9920; LUX(1m): 3660; LUX(2m): 933

Control Mode: Touch Screen & Support 2.4G Wireless Control

Footcandles: 0.5M:922; 1M:340; 2M:87

Power Source: 100-240V AC or DC 15V 7A

Operating Voltage: DC-15V 7A

Dimmer Input: 12V to 30V

SOONWELL FB-21 (2x1 ft) Flex Bi-Color LED Light

Power Unit: Automatic Voltage 90V-260V

Certification: CE RoHS

Product description

#FB-21 is a 100W Bi-color 3000K~5600K LED Light mat with size 610*305mm (2*1ft), 6mm thick, high CRI of 98~95 dimming 100%~0%, LCD touch screen control mode.

Say Goodbye to heavy light equipment!

Say Goodbye to complicated outside shooting!

Say Goodbye to old school light effects!

Designed for Photographers, Cinematographers & Filmmakers, Soonwell Flexible LED mats were redesigned with Bi-Color (3000K-5600K), Smart Size, Light Weigh, High Lux, High CRI, Touch Screen Control, Turning Knob Control, DMX Control, Remote Control, Logical Design, Safer Protection, Fast Installation, Durable Materials, in mind to offer you powerful, pristine, and flicker-free lighting.

At 1/4" (6mm) thin and weighing less than 1.1lbs (500g), their brilliant pliable surface conceals in tight spaces, mounts virtually anywhere, and offers up to a 360-degree beam angle, that is available for any incredible situation any corner by rolled up in free styles or connected as light wall, especially for travel or storage with revolutionary advantages including rainproof and inflaming retarding.

Control Mode Options: LCD touch screen / Turning knob / DMX / Remote Controller

Charging Support: 15~24VDC or AC Adapter with the integrated V-mount battery plate.

Dimming: 0-100% for precise light output adjustment.

In The Package:

- 1× Soonwell FB-21 Flexible LED Light Mat
- 1× Dimmer
- 1× Adaptor
- 1× Softbox
- 1× Carry Box

Ps. Battery for Bundle Option
